STRUCTURE STABILITY CERTIFICATE

Date 10-02-2020

I, hereby certified that I, inspected the building Pharmacy block of L.R Institute for structure stability of the building. The structure elements inspected included columns, beams and slabs at each floor. The observation have been recorded as per the structure

I have also gone through the structural drawing provided by L.R Institute of the existing building Pharmacy block and have gone through the calculation that building structure design, including safety from natural hazards including earthquake resistance as per the guidelines for safety.

On spot the inspection of building /structure and best of my Knowledge, I certify the building is safe in all respect
