

Criterion 1 – Curricular Aspects

Key Indicator-1.1: - Curricular Planning and Implementation

1.1.1 The institution ensures effective curriculum delivery through a well-planned and documented process.

L.R Institute of Hotel Management and Catering Technology is a constituent Institute of H.P.T. University, and as such follows the syllabus set by the parent university. Within these established academic structures, our Institute attempts to innovate curricular planning and implements effective curriculum delivery providing holistic development for its students. Academic processes are streamlined with the help of University Academic Schedules issued every year. Institute Academic Plans, Time Tables are then made in accordance with the guidelines laid down by the university. We also conduct Orientation Programs providing awareness about faculty and teachers for 1st year students, also remedial classes for students who are lagging in particular subjects.

The teachers of L.R Institute of Hotel Management and Catering Technology regularly and continuously update their knowledge through active involvement in Faculty Development Programs. HPTU provides a perfect complement to our curricular planning, implementation and intellectual teaching by providing us adequate platforms to hone our skills. Students receive innovative education through field trips, projects, and internships.

Department prepares Time Tables in the beginning of the semester and all the faculty members strictly adhere to their individual time tables for effective implementation and smooth functioning of class work without any hindrance. Faculty are strictly advised to plan for the conduct of Unit Tests, University Internal Examinations and other co-curricular activities. Departmental reports pertaining to examinations and attendance of students are collected at the end of each semester and the progress of the students is analyzed. Based on the departmental reports, the students are categorized into slow learners and advanced learners.

1.1.2 The institution adheres to the academic calendar including conduct of CIE.

The academic calendar serves as an information tool to plan the academic activities for students and faculty of the institution. The academic calendar is well disseminated on the website, so as the other stakeholders are informed regarding the activities and events happening in the institution. The academic calendar includes dates for admission, the commencement of classes, seminars, workshops, field visits, Practical examinations, Continuous Internal Evaluation (CIE) and University examinations.

Continuous Internal Evaluation Process:

Internal evaluation in the institution is transparent and robust which includes advanced mentoring, **academic calendar**, **Grievance Redressal**, forwarding the **internal marks** in the university. The institution strictly adheres to the guidelines of H.P.T University with regard to evaluation process.

CIE and end semester examination: The ratio of weight age is 40% Continues Internal Evaluation (CIE) and 60% End Semester Examination (ESE).

1. Announcement of overall structure schedule of CIE:

The institution has sessional examination record keeping committee (SEC) to oversee the conduct of the internal assessment tests. The process of internal evaluation starts at the classroom level. For each subject two internal tests are conducted before each semester giving fair chance to the absentees due to permissible circumstances and thus bring students under a uniform internal evaluation system. The Institute internal assessment exam committee frames the guidelines for conducting CIE.

The following reforms have been carried out for CIE:

1. **Time table:** Schedule for internal examinations is communicated to the students well in advance despite mentioning the same in the academic calendar.
2. **Syllabus:** The syllabus for the internal examination is also communicated to the students in the classroom by subject teacher one week in advance and also displayed on the department notice boards.

Affiliated to Himachal Pradesh Technical University Hamirpur, Himachal Pradesh
Village JAbli-Qyar near zero Point Rajgarh Road Solan.

3. **Setting of question papers:** subject faculty set the question paper keeping Programme Outcomes (POs) and Course Outcomes (COs) and unitized syllabi and University examination pattern in consideration.
4. **Conduct of internal assessment:** Internal assessment test is conducted as per the seating plan communicated to the students.
5. **Communication of IA marks:** Internal Assessment (IA) marks are announced and the answer scripts are distributed in the class within the next seven days from the conclusion of IA test. IA marks are displayed on the notice board. The students are given a chance to bring their grievances if any to the concerned subject teacher or HOD to solve it within one week from the announcement of IA results.
6. **Parent - Teachers meetings:** Poor performance due to frequent absenteeism is dealt with by informing the parents of such students. Parent - Teacher meetings are conducted after every internal assessment test and the feedback about performance of students is discussed.
7. **Submitting IA marks to University:** For each subject, two internal assessments are conducted and IA marks are recorded in the consolidated IA marks register. The better of the two internal assessments with respect to each student is considered and the same is uploaded in the university portal.
