Investigation procedures:

Upon receiving a report on sexual harassment, the receiving authority shall refer the matter to the anti-sexual harassment committee to investigate. The receiving authority shall also inform the principal for necessary interim action especially in cases where the perpetrator is in higher authority than the survivor and is likely to interfere with investigations. Interviews will be confidential and discreet. Persons with information on the incidence will also be interviewed.

Disciplinary measure:

The disciplinary committee shall then submit its recommendation to the principal for action. This policy document states the college's commitment to providing an environment free from sexual harassment, and any employee or student who violates the policy shall be subject to serious disciplinary action, which could include:

- 1) Termination of services
- 2) Suspension or expulsion of the student from the college
- 3) Barring such persons from accessing the college premises.
- 4) Conciliation

The college recognizes that individuals may make false reports and therefore prohibits this. Persons who make false allegations are subject to disciplinary action.

Reporting Mechanisms

The survivor of sexual harassment who wishes to pursue or make a complaint of sexual harassment has two options through which they can make the complaint.

1. Informal complaint
2. Formal complaint

An informal complaint is made to any academic member of staff, personal tutor, or administrator. It is made in those cases where the survivor wishes for something to be done (e.g., warn the harasser, transfer him/her to another department, or change his/her dissertation supervisor), but is not ready to lodge a formal complaint.

The policy emphasizes the importance of documenting all cases of sexual harassment within the college premises or involving the students, college administrators, teaching and non-teaching staff
